SUMMARY

Results-driven researcher with a Ph.D. in Sociology and 8+ years of experience in qualitative and quantitative methodologies. Proven leader in interdisciplinary teams, dedicated to equity and innovative research practices. Committed to deriving impactful insights through effective data analysis and fostering collaboration in dynamic environments.

EXPERIENCE

Postdoctoral Scholar

Department of Human Ecology, University of California, Davis **2024 – Present**

- Lead social scientist on the COEQWAL team, designing and executing comprehensive research processes.
- Collaborating with 60+ academics across multiple institutions to enhance project outcomes and promote interdisciplinary dialogue.
- Analyzing large datasets using advanced qualitative and quantitative tools, ensuring rigorous data integrity and reliability.

Project Manager and Lead Analyst

AIB-Funded Sexuality and Parenting Research Group, UC Davis **2016 – Present**

- Managed a mixed-methods research project with 8,500+ survey respondents and 100+ interviewees, delivering impactful findings
- Trained, supervised, and mentored research assistants in data collection and analysis.
- Utilized diverse analytical tools to deliver impactful findings and publications.
- Led team meetings to align project goals, establish timelines, and optimize productivity.
- Successfully published multiple articles and presentations based on project findings, enhancing visibility in the field.

Qualitative Analyst

NSF-Funded Student Computational Learning Project, City University of New York **2023 – 2024**

- Conducted qualitative analysis on survey and interview data from 600+ students.
- Developed robust coding frameworks and engaged in peer reviews to refine methodologies and research outputs.
- Collaborated with departments across Computer Science, Business, and Sociology to gather interdisciplinary insights.

Lecturer

Department of Sociology, University of California, Davis **2023 – 2024**

- Delivered engaging instruction to 400+ students while overseeing six teaching assistants, implementing innovative teaching strategies.
- Designed and managed course curricula, enhancing student engagement and learning outcomes through active learning techniques.
- Implemented innovative teaching strategies, including active learning techniques and collaborative group work, to enhance student engagement and improve learning outcomes.

- Organized guest lectures and collaborative projects to enrich the educational experience.

Graduate Student Instructor

Department of Sociology, University of California, Davis

2020 – 2024

- Balanced teaching and dissertation responsibilities, fostering a supportive learning environment for over 1,000 students.
- Collaborated with faculty to assess and improve curriculum effectiveness, ensuring alignment with departmental standards.

AWARDS

Graduate Program Fellowship, UC Davis, 2022

Provost's Dissertation Year Fellowship, UC Davis, 2021 – 2022

Professors for the Future, UC Davis, 2020 – 2021

PUBLICATIONS

Haus, R. (2023). "Reexamining the Role of Gender in LGBTQ+ Parenting." Revise and Resubmit at *Journal of Marriage and Family*.

Haus, R. (2021). "Making Visible the Invisible: Bisexual Parents Ponder Coming Out to Their Children." *Sexualities*, 24(3), 341-369.

EDUCATION

Ph.D. Sociology

University of California, Davis, 2023

M.A. Sociology

University of California, Davis, 2018

B.A. Sociology

University of Georgia, 2016

SKILLS

Research Skills: Qualitative Research, Quantitative Research, Survey Design, Interview Techniques, Data Analysis

Technical Skills: Atlas.ti, MAXQDA, Dedoose, NVIVO, Stata, Excel, Qualtrics

Project Management Skills: Interdisciplinary Collaboration, Team Leadership, Dataset Management, Research Design
